

# SUPER CABLE TAG PLUS

WITH REPLACEABLE CABLE

ADDING VALUE TO RETAIL

The Super Cable Tag Plus offers high security solutions for high-end merchandise. The replaceable cable enables retailers to recycle and reuse the tag. The Super Cable Tag Plus enables retailers to reduce costs and enhance store security.

## FEATURES

- **Replaceable cable**  
Reusable multiple times.
- **High security**  
2 or 3 alarm technology, tamper proof.
- **Fit well with high-end goods**  
Small size and fashionable appearance.  
Does not affect product appearance and shelf display.

## APPLICATION

Luxury bags, High-end garments, Shoes, Sporting equipment, Power tools, Electronics, etc

## TIPS

- After the tag is armed, tag will flash green every 30 seconds
- When the battery is low, LED flashes red 10 times continuously, followed by a red flash every 30 seconds. If triggered at this time, the alarm volume will be very low.
- The alarm will stop automatically after waiting for 5 minutes or by using the magnet detacher.
